

# ABOUT OUR COMPANY

Study Mario is an online learning platform that has enabled every learner to grow in their professional career while upgrading their skill set. This is possible while attending college, working on the job, or searching for a job opportunity. We have made this possible by designing an integrated system of live and recorded sessions that considers every need of our learners. All the videos and course content have been developed by experienced industry experts and faculty from prestigious universities in India.

KNOWLEDGE IS POWER

# LEARN GROW

We offer certificate courses for professionals

Study Mario provides detailed study material and lectures for the D. Pharma, B.Pharma, and M.Pharma courses in alignment with the PCI revised regulations. Recorded lectures and live assistance on all the theory and practical subjects by highly qualified, trained, and subject expert professionals. Comprehensive and quality lectures with state-of-the-art technology will be provided to ascertain the holistic understanding of the students. These courses will allow the students to access technology-enhanced lessons from quality professionals, allowing them to complete the learning process according to their schedule.

. Courses are meticulously tailored to meet the needs of the students. Regular doubt-clearing sessions and test series prepare students to achieve academic goals. Lectures will be both in English and Hindi, keeping in mind students from all backgrounds.
